

## Quality Policy

“It is the policy of Viking Completion Technology FZCo to meet and/or exceed customer requirements by on-time delivery of the highest quality equipment to the energy industry. Maintaining strict compliance with safety and regulatory requirements, while providing maximum value and superior customer service during and after the sale of products, and commitment to comply to and continually improve the effectiveness of our quality management system in compliance with API Spec Q1 & ISO 9001: 2015.”
